Canceling this Policy

Within the Cooling-off Period

If after reading through your insurance policy you decide not to proceed with this insurance, you have the right to cancel back to the start of the period of insurance without giving any reason, providing your instruction to cancel is submitted to your Broker within 14 days of either:

- the date you receive the policy documentation, or
- the start of the period of insurance, whichever is the latter.

Providing no claim has been made we will refund your premium in full.

Outside of the Cooling-off Period

If you wish to cancel your policy after 14 days you can do so at any time by contacting your Broker.

On policies where the annual premium has been paid in full a refund of premium will be calculated from receipt of this notice on a pro-rata basis subject to an administration charge, providing no incidents have occurred which give rise to a claim.

On policies where the premium is paid by monthly payments the cancellation will take effect from the end of the period for which you have paid and therefore no refund will be due.

Our right to cancel this Policy

We can cancel your policy by giving you 30 days written notice at your last known address. We will only cancel this policy or any part of it for a valid reason, such as:

- Failure to provide us with information we have requested that is directly relevant to the cover provided under this policy or any claim;
- The use of foul or offensive language;
- Nuisance or disruptive behaviour
- Non-payment of premium;
- We have identified serious grounds (such as the use or threat of violence or aggressive behaviour against our staff, contractors or property);
- There is a change in risk occurring which we are unable to insure;
- We establish that you have provided us with incorrect information;
- Failure to take care of the property insured;
- You breach any terms and conditions of your policy.

Please also see the Fraud conditions on page 7 of this policy and the Change in Circumstances conditions on page 17 of this policy.

Where possible, we will try to seek an opportunity to resolve the matter with you.

If we cancel the policy we will refund premiums already paid for the remainder of the current period of insurance based on a proportional daily rate depending on how long this insurance has been in force less administration charge £25.00.

Important Notice

If a claim has been submitted or there has been any incident likely to give rise to a claim during the current period of insurance, no refund for the unexpired portion of the premium will be given.

This will not affect your right to make a claim for any event that happened before the cancellation date.

Please note that upon cancellation of this policy your broker may impose a charge. Please contact your Broker for further information.

Claims Procedure

Although we hope that you will never need to make a claim on your insurance policy, we have made everything as simple and straightforward as possible should you ever need to use our claims service.

How to make a claim

When an accident happens, you should take any immediate action you think is necessary to protect your property and belongings from further damage, such as switching off the gas, electricity or water.

If you need to make a claim under this policy, please contact us straight away by calling the claims helpline on:

01865 844995

To help us deal with your claim quickly we may require you to provide us with assistance and evidence that we require concerning the cause and value of any claim. Ideally, as part of the initial notification, you will provide:

- Your name, address, and your home and mobile telephone numbers
- Policy/Certificate number
- The date of the incident
- Police details / Crime Reference number where applicable
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses.

This information will enable us to make an initial evaluation on policy liability and claim value.

When you call us, we may:

- Ask you to get estimates for building repairs or replacement items; or
- Arrange for the damage to be inspected by one of our claims advisors, an independent loss adjuster or other expert – their aim is to help us agree a fair settlement with you; or
- Arrange for the repair or a replacement as quickly as possible; or
- For some claims we or someone acting on our behalf may wish to meet with you to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

For Buildings claims, we have a network of authorised repairers ready to put things right. If we appoint an authorised repairer:

- They will make your home safe for you,
- If further work is required, they will arrange a convenient time to complete the work,
- You will not need to obtain estimates,
- You can be assured of the standard of the work.

For Contents or valuables and personal belongings claims, if an authorised repairer or supplier is used:

- we will arrange for someone to repair or replace the lost or damaged items,
- you can be assured of the standard of work.

Payments

Where payment of premium is not made, any cover otherwise provided by this insurance will be inoperative from the date the premium was due.

Where a claim has been notified during the current period of insurance, you must continue with the monthly payments throughout the remaining period of insurance, or pay the remaining premium in full. If you fail to do so, we may deduct any outstanding amount from any claims settlement.

Claims Terms and Conditions

Applicable to sections 1 2 & 3 of this insurance

These are the claims terms and conditions which you and your family will need to keep to as your part of the contract. If you do not, a claim may be rejected or payment could be reduced. In some circumstances your policy might be invalid.

If anything happens which might lead to a claim, what you must do depends on what has happened. The sooner you tell us the better. In some cases, there are other people you must contact first.

- You must notify your broker as soon as possible giving full details of what has happened.
- You must provide us with details of what has happened within 30 days of discovering the loss or damage.
- If you or your family are the victim of malicious damage, vandalism, theft or attempted theft or accidental loss you must tell the police immediately and obtain the police reference number. Tell us as soon as you can.
- If you or your family are the victim of riot you must tell us as soon as you can or no later than 7 days after the riot.
- For all other claims you must notify us as soon as possible, giving full details of what has happened.
- If a claim for liability is made against you, any letter, claim, writ, summons or other legal document you receive must be forwarded to us within 4 days, unanswered.
- You must not admit liability, or offer or agree to settle any claim without our written permission.
- You must take care to limit any loss, damage or liability.

How we deal with your claim

We may request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, pre-purchase surveys, or plans or deeds of your property;
- Dates and location of when/where damaged items were purchased; and/or
- For damaged property, confirmation by a suitable qualified expert that the item you are claiming for is beyond repair.

We may need to get into a building that has been damaged to salvage anything we can and to make sure no more damage happens. You must help us to do this but you must not abandon your property to us.

We have the right, if we choose, in your name but at our expenses to:

- Take over the defence or settlement of any claim;
- Start legal action to get compensation from anyone else;
- Start legal action to get back from anyone else any payments that have already been made.

You must provide us with any information and assistance as we may require about any claim. You must help us to take legal action against anyone or help defend any legal action if we ask you to.

Other Insurance

If, at the time of any loss, damage or liability covered under this insurance, there is any other policy on force, insuring the same loss, damage or liability covered by this policy; we shall only be liable for our proportional share.

General Conditions

Applicable to the whole of this insurance

These are the conditions of the insurance you and your family will need to meet as your part of the contract. If you do not, a claim may be rejected or payment could be reduced. In some circumstances your policy might become invalid.

Each home included under this insurance is considered to be covered as if separately insured.

Take Care

You must take care to provide complete and accurate answers to the questions we ask when you take out, amend, and renew your policy.

You must take care to avoid any accident and to prevent loss or damage to everything which is covered by this insurance and to keep all the property insured in good condition and in a good state of repair.

You must always make sure that the sums insured shown in your schedule are adequate.

- i. Buildings should be insured for the full cost of rebuilding the buildings plus VAT in the same form, style and condition as new plus an amount for architects', surveyors', consulting engineers and legal fees, debris removal costs and other costs to comply with government or local authority requirements.

Please note that the rebuilding cost of your home may be different from its market value.

- ii. Contents should be insured for the full cost of replacement as new.

Changes in Circumstances

Using the address on the front of your schedule you must tell us within 14 days as soon as you know about any of the following changes:

- You are going to move home permanently;
- Someone other than your family is going to live in your home;
- Your home is going to be used for short periods each week or as a holiday home;
- Your home is going to be unoccupied;
- Work is to be done on your home which is not routine repair, maintenance or decoration, for example any structural alteration or extension to your home;
- You or any member of your family has received a conviction for any offence except for driving;
- Any increase in the value of your contents or the rebuilding cost of your buildings;
- You use a chimney at the home which you have previously told us is not used;
- You install a wood or solid fuel stove at the home;
- The fire protections you have told us about at the home are removed, amended or become faulty;
- Any part of your home is going to be used for any trade, professional or business purposes;

You need to tell us about trade, professional or business use if:

- The trade, professional or business use is only clerical; and
- There are no staff employed to work from the home; and
- There are no visitors to the home in connection with the trade, profession or business; and
- There is no business money or stock in the home.

When we are notified of a change, we will tell you whether this affects your policy. For example whether we are able to accept the change and if so, whether the change will result in revised terms and/or a revised premium being applied to your policy. If we are not able to accept the change and it becomes necessary to cancel this insurance, we will do so as described within the cancellation conditions contained within this policy.

If you do not tell us about changes or give us incorrect information, the wrong terms may be quoted, we may be entitled to reject payment of a claim or a payment could be reduced. In some circumstances your policy might be invalid, and you may not be entitled to a refund of premium.

Thatch Conditions
