# General Conditions which apply to all sections

## Your duty

The company will only provide the cover set out in this policy if you keep to all the terms and conditions of the policy.

## Accidents and losses

You must tell the company as soon as reasonably possible about any incident which may lead to a claim under this policy. If you receive any notice of a prosecution or you are sent a writ, summons, claim or letter, you must send it to us, unanswered, as soon as possible. You must also keep the company up to date with any developments in your claim.

## Claims procedure

You must not admit liability for or negotiate to settle any claim without the company's written permission. The company may take over, defend or settle the claim, or take up any claim in your name for the company's own benefit. You must give the company all the information and help the company needs. Claims must be notified and your claim form submitted within 60 days of the event. You must not abandon property to the company.

For any loss or damage claim you must:

- give the company any information and evidence asked for, including written estimates and proof of ownership or value;
- tell the police immediately if there has been loss or damage caused by deception, theft, attempted theft, lost property, vandalism or malicious damage, riot or loss outside your home;
- take all reasonable steps to get back lost or stolen property.

## Other insurance

If you have other insurance that covers the same loss, damage or liability, the company will not pay more than its share of your claim.

## Settling disagreements

If the company have agreed to a claim but there is a disagreement over the amount the company will pay, the problem must be decided by an arbitrator who you and the company can both accept. You cannot take legal action against the company until the arbitrator has decided on the amount the company should pay.

## Preventing loss or damage

You must take all reasonable care to prevent loss, injury or liability, damage or accidents and to maintain all property covered under this policy in good condition.

## Security

It is a condition precedent to the liability of the Company that the insured will ensure that all security devices are put into full and effective operation whenever the premises are left unattended. Keys and all details of any codes or combinations relating to any part of the intruder alarm installation and any safe or strong room be removed from the premises whenever the premises are left unattended.

Alterations or additions to or changes in or removal of security devices be advised to the Company immediately in writing.

## Fraud

You or any person acting for you must not make false claims.

If you or anyone acting for you makes a claim knowing any part of it to be false or exaggerated in any way, or if you deliberately cause loss or damage, the company will not pay the claim and the company will cancel your policy.

## Changes that may affect your cover

You must tell the company as soon as possible (no later than 14 days) if there are changes that may affect your insurance, such as the following:

You change the address where you normally live;

Your property is unoccupied for more than 60 days;

You change jobs;

A change of occupancy or use in excess of 14 days;

Lack of maintenance (if the property is unoccupied);

You are convicted or have a conviction pending for any offence other than motoring;

You suffer a loss for which you are not claiming;

The company may then re-assess your cover and premium. If you do not tell the company about any relevant changes, the company may:

charge you the wrong premium;

reject or refuse your claim;

declare your policy invalid.

## If you miss a payment

If you are paying your premium in instalments and you miss a payment, we will cancel your cover.

We will give you seven days notice before we do this.

## If you have not paid your premium

If you have not paid your premium, we may take any unpaid premiums from any claim payment the company makes to you.

## Cancelling your policy

### 1) Your rights

You may cancel this Policy in the first year of insurance within a period which begins 14 days from the commencement of cover or receipt of Policy documentation whichever is the later

You may exercise this right by writing to Your insurance adviser or Us instructing cancellation

This right does not apply at the first or any subsequent renewal of this Policy

1.2) You may cancel this Policy after the 'cooling off' period by sending written notice of cancellation by registered post to Your insurance advisor. Such cancellation will be effective no more than sixty days after the date of posting. At Our discretion, in the event of non-payment of premium the cancellation shall be effective ten days after the date of posting. Sending notice by registered post shall be sufficient notice and the effective date and hour of cancellation stated in

the notice shall become the end of the Period of Insurance.

If You cancel this policy then You may be entitled to a proportionate refund premium based on the number of days remaining in the Period of Insurance less a £25 administration charge, unless a claim has been made or an incident notified to Us which could give rise to a claim, during the Period of Insurance whereby should the estimated or paid claim cost exceed the premium for the spend period, the cost of the claim will be deducted from the return premium payable. The total amount refunded to You will be calculated by Us in accordance with the process set out above. The calculation made by Us will be final and binding.
